

**Calthwaite C of E Whole School Art and DT Progression**

At Calthwaite we use the award winning Kapow combined Art and DT Revised Scheme to teach intellectually challenging and creatively demanding lessons. The aim is to cultivate high quality skills through practical ability, theoretical knowledge and disciplinary knowledge to ensure progression and to capture the pupils interest and imagination so that they become inspired. Our adapted plans ensures that our art and DT lessons link with the class’s topic so that other subjects can also support the development of contextual knowledge that is needed for the art and DT being studied. Our goal is to build upon skills each year whilst engaging with and learning from a wide range of artists and ultimately resulting in the pupils flourishing as young artists throughout their journey through Calthwaite C of E School.
