

Model Subject Access Request (SAR) Form

Under the Data Protection Act 2018 you have the right to ask us to supply you with a copy of any personal data we hold about you. This form is provided to help you give us the information we need to deal with your request. You do not have to use it but doing so will make it easier for us to respond fully and quickly.

Information supplied in this form will only be used for the purposes of identifying the personal data you are asking for and responding to your request. It will be processed in line with our data protection policy available on the School website [Welcome to Calthwaite School - Cultivate, Inspire, Flourish](#).

If you want information about the categories of personal data we collect, our lawful bases for processing it, who we share it with and why, how long we keep it for, and your rights, please see our Privacy Notices on the School website [Welcome to Calthwaite School - Cultivate, Inspire, Flourish](#).

You can complete this form to make a SAR on behalf of someone else (acting as a third party) with their consent.

We aim to respond promptly and within one month of the date we receive your completed SAR form (or request that we recognise as a SAR) or the date we receive any further information that we need before we can comply with your request. If we consider your request complex, we can take up to an additional two months to respond. If this is the case, we will let you know within the one-month deadline, and as soon as possible.

We may consider your request complex if it:

- involves retrieval and appraisal of information from multiple sources;
- involves the retrieval of large volumes of information for one data subject which are difficult to separate from information relating to other data subjects;
- is one in a series of requests from the same person;
- involves the release of third-party data for which consent has been refused or cannot be obtained.

For the majority of cases, there is no fee to pay to make this request. However, if the request is deemed excessive or is a manifestly unfounded or repeat request, we may contact you to discuss an appropriate charge.

Before we can process a SAR for:

- Your own personal data, we need to see proof of your identity and address to satisfy us that you are the person legally entitled to have it.
- The personal data of a child you hold parental responsibility for, we need to see proof of your identity and address and proof of your parental responsibility to satisfy us that you are the person legally entitled to have it.
- The personal data of someone else who has asked you to make a request on their behalf as a third-party, we need to see proof of your identity and address, proof of the data subject's identity and address, and proof that the data subject has consented to you making this request for them.

Proof of identity and address in one document can be found on a photocard Driver's Licence.

Other proofs of identity include a current passport (photo page), current national identity card, birth certificate.

Proofs of address must be dated within the last 3 months and could include a bank statement, credit card statement, utility bill, council tax statement, TV licence, HMRC tax document.
